

Program Action Plan

History Committee (formerly Cavalcade of Memories) 2016-2017

What is this program? It is a way to preserve our organizations history.

I wish all units had a place to display your materials. All units have artifacts, newspaper articles, meeting minutes, photos and written histories. Create displays that are attractive, interesting and relevant. If you don't have any room for these things, put them in a scrapbook.

All units please appoint a History/ Cavalcade committee chairman. (New name for Cavalcade of Memories). Invite all members to participate. Don't forget our juniors.

Invite the public to your post home to see your display and/ or scrapbook to learn about the American Legion Auxiliary's mission, history and accomplishments. Who knows you might even get a dew new members.

Recognize Veterans from the past as well as current active-duty Military by displaying pictures of both groups.

This year unit chairmen, there will be another question on your reports. I would like to have the date of your Unit charter.

Talk to the lady veterans. Get some insight of what they went through in the wars. Write a narrative about her. Take her picture. Keep one for your display or scrapbook.

Please send me one at the end of the year.

Don't forget to work hard on your scrapbooks and narratives. Please send them to me to judge. Don't forget pictures. The date for these things will be early this year.
